

World Book Day Elsa Costume Ideas

There were so many options with this. From highly technical, to the no sew option, it's a costume that any parent could get involved with. Your main material for this costume? Tulle. Lots and lots of tulle.

The No Sew Option - Let's Do Something Crafty

- This tutorial requires you to have an elastic band and tulle. You can even add in lots of different colours if you wanted to.

The Easy Option - The Girl Inspired

- This tutorial is easy to follow, with the ability to help you to learn and develop sewing skills.

The Technical Option - Casey Renee Cosplay

- Casey's result is absolutely breath taking and takes costume making to the next level.
- Designed for those with a higher skill level, broken down into stages with YouTube videos to help along the way.
- Even if you're not aiming to create a full dress from scratch, it's well worth taking a look to pick up some great hints and tips.

Hair - Makeup Wearables

- You can use this guide again and again to create Elsa's signature braid.
