

Alphabet Bottle Activity Card

A game to encourage your child's understanding of the alphabet and phonics, as well as including a fun scavenger hunt around the house to find the correct item.

WHAT DO I NEED

1. An empty bottle
2. Up to 10 cards that a letter of the alphabet on (lower case). Your child can help create these cards before you play the game

METHOD

1. Place the letter cards in a large circle and put the empty bottle in the middle.
2. The first person spins the bottle and when it stops ask your child to name the letter the bottle is pointing to and the sound it makes. They then take the card and walk around the house to find an object that begins with the same letter sound. You can support your child when looking for this object by looking together, also ensuring that they gather safe items.
3. Then it is the next person's turn to spin and the game continues until all the cards are gone.
