

# Butterfly Binoculars Activity Card

Why not create a pair of butterfly binoculars with you child to take with you on your next walk? You can even write down the different butterflies you see to find out their names.

## WHAT DO I NEED

1. Toilet Roll Tubes x2
2. String
3. Tape or Glue
4. Stapler
5. Craft Materials to Decorate - i.e. pom-poms, tissue paper, paint, pipe cleaners

## METHOD

1. Fasten your two toilet roll tubes together using the stapler
2. Decorate your toilet tubes using whatever materials you have
3. Attach string so you can carry your binoculars or wear them around your neck
4. Make sure to take them with you on your walk once dry!
