

# 5 Senses Scavenger Hunt

Young children love activities that encourage them to use and explore their senses. So, why not get the family together to see if you can find all of the items on the list.

Can you find something that...

- ...makes a 'crunch' sound
- ...tastes sour
- ...smells good
- ...feels smooth
- ...is three of the same
- ...smells bad
- ...tastes sweet
- ...sounds loud
- ...is small
- ...feels soft
- ...is blue
- ...is quite
- ...feels rough
