Supporting your Admission with us

Places are offered based on availability at the time of application with priority given to full-time working families. To secure your child's place, a non-refundable administration fee of £150 is required. This fee covers enrolment processing, settling-in sessions, and a settling in pack ensuring your child feels comfortable and prepared for their start at nursery. If you are only accessing funded hours, an administration fee will not be applied, instead a deposit will be applied for the same value, this will be applied to your account as a credit, to be returned within a month of your child starting at the nursery.

Early Years Funding Pattern of Delivery

Families eligible for Funded childcare hours will be required to complete a separate Parent/Carer Agreement Form, as provided by the relevant Local Authority. This form is essential for accessing funded hours and must be returned in line with local authority deadlines.
The Funded hours cover the cost of Early Years education and care during the agreed hours only. They do not include the cost of Catering, Consumables or our Enrichment Experiences provided as part of our Everyday Essentials package. These items are chargeable and will be detailed clearly on the Price List. If you are unable or unwilling to fund your Everyday Essentials on your funded hours, please do make an appointment to discuss with the Nursery Manager. We are committed to working with you to find a suitable way forward. Fully funded sessions are available without any additional charges. Funding is applied in continuous blocks, without any artificial breaks.
